

Allentown, PA – (December 19, 2008) The employees of The Heart Care Group, P.C., participated in the Salvation Army of Allentown Adopt-A-Family Program in December. The staff donated approximately 50 wrapped gifts – selected from a “wish list” – for a local family of three to ensure that they would have a happy holiday this year.

The Adopt-A-Family program is where organizations, groups, or individuals sponsor a disadvantaged family for the holidays by providing a complete Christmas for the entire family. Each family member makes a “wish list” of gifts that are purchased by the sponsor(s), wrapped, and delivered to The Salvation Army for the family to pick up.

The Heart Care Group is dedicated to supporting the local community throughout the year. A full service practice, The Heart Care Group, P.C., provides quality, comprehensive cardiovascular care that places the patients’ health and well being above all other considerations. Their cardiologists serve the Greater Lehigh Valley and surrounding communities from several offices and most regional hospitals.
